

Spring 2010 Newsletter

- We're very happy to share our "Bragging Wright's" by announcing the birth of Olivia Margaret Bragg. Born December 27, 2009, this is Trevor & Angie's 1st child and 4th grandchild for Tom & Wendy!
- It's taken a lot of work, but our new Garden Centre on Saskatchewan Ave (across from Extra Foods) will be open for business on May 1st. See details of the Grand Opening on our schedule of events.
- Wright's Greenhouse will be hosting our 5th annual "The Garden Party" Tradeshow this year on April 24th. We look forward to a beautiful day with fantastic vendors, BBQ by Beatty 4H, a tree-pruning seminar with Bryce Zosel, and a terrific opportunity to get in the spirit of Spring with a walk through the greenhouses!
- Our customers are encouraged to bring your containers to us. We can do them up for you, or show you how to do them to your liking. We'll even house them at our Beatty location for a small weekly fee until the frost is over and you're ready to brighten up your gardens.
- This year, we want to see your garden! During the spring/summer, send in photos of your yard & garden, and the best one will get a prize!
- Don't forget that we love to help with Weddings! We have rental & custom containers, centrepieces, and even a port-a-potty. Contact us for additional info.
- If you are interested in receiving future newsletters through email, please be sure to provide us with your email address at your next visit, and we'll be happy to keep you updated. Please don't forget that you can always check for all the latest news, events, and photos on our website - www.wrightsgreenhouse.com.
